We acknowledge and honor all of our heroes this Father's Day who have been "fatherly" in some way by caring for someone special and being there with words of wisdom, expert advice, or a reassuring hug when they have needed it most. We hope your day is full of memories of the special "fathers" in your life who have given their hearts and strength to you throughout the years.

**COMING SOON!** Lincoln Centre Park renovations are happening now! Be sure to download the Lincoln Centre HqO app for the latest updates on all our renovation projects.

# Father's Day Fun

## CREATIVE WAYS TO CELEBRATE FATHER'S DAY

### Plan a Family Game Night

Give Dad some quality time with the whole family – just be sure to let him [pick the game!](#)

### Organize a Beer Tasting

Pick up a beer tasting flight in advance, and then pour a mix of lagers, ales, and IPAS from [local breweries](#). That way, you can support local businesses while helping him discover new favorites.

### Host an Outdoor Movie Night

Shine a [projector](#) against a blank wall and pick one of dad's favorite movies to watch. For a true theater experience, serve popcorn, candy, and a special after-hours drink for your #1 guy.

### Steal His Heart With Sweets

Bake your own or pick some up curbside from a [local vendor!](#)

### Learn Something New Together

Your dad is never too old to learn new tricks. Sign him up for an all-access pass to [MasterClass](#), so he can take classes taught by the best in sports, movies, television, cooking, gardening, photography, and more.

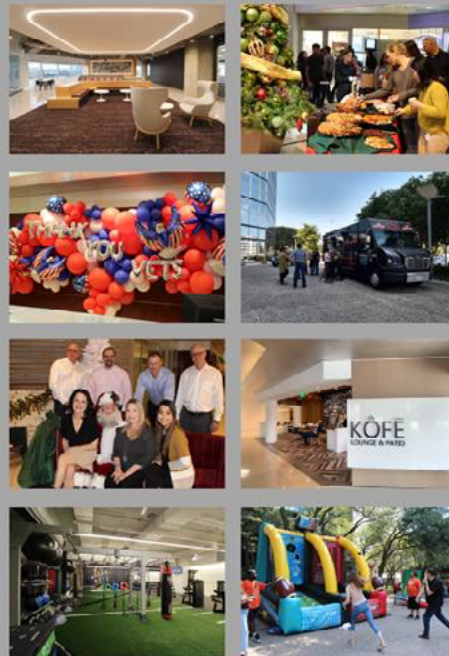

### Take a Virtual Disney World

#### Staycation Together

Bring out his inner child with a tour of Walt Disney World, including firework displays and [virtual rides](#).

## GO BACKYARD CAMPING

Especially if the kids are too young to make it through a night at the campsite, consider setting up a tent in the backyard for a similar experience. It's a win for everyone: Dad can enjoy the fun that camping brings — ghost stories, campfires, and sleeping bag snuggles — but the whole family can head inside if it gets too cold or uncomfortable outside.
