HAVE YOU HEARD THE BUZZ?

Lincoln Centre has partnered with urban beekeeping company, Alveole, to bring thousands of honey bees to Lincoln Centre. Our hope is to create greater ecological awareness through this fun and rewarding program. Tenants are invited to visit their hive located on the concrete pad at the north end of the west parking lot. (Bee sure to social distance so their home does not feel threatened.) You can also check out photos, videos and more on our website: myhive.alveole.buzz/lincolncentredallas and get answers to frequently asked questions here: [Fact Book - Alveole](#)
